

Privacy Policy Privacy Policy for Website Users

[RH-00023-01]

This document is not controlled when printed.

This Privacy Policy describes the privacy practices of Nortera Foods Inc. (“we,” “our”). This Privacy Policy applies to you as it describes the types of personal information that we collect from and about you online and offline. It applies when you interact with us or use our website. It explains how we use, store and share the information that we collect and how you can request access to such information or have it corrected, where necessary. This policy is complemented by our framework policy, which sets out the rules that apply to personal information throughout its lifecycle; provides a framework for the exercise of the rights of individuals; and defines the roles and responsibilities of stakeholders regarding the protection of personal information within Nortera. For more information, please contact us at vieprivee@norterafoods.com

When, after reading this policy, you provide us with personal information through our website or one of our mobile applications, you consent to our use and communication of such information in the manner described.

SUMMARY

How do we use cookies and other technologies?

Both we and our service providers may use cookies or other technologies to make it easier for you to browse our websites, to perform analyses, show you relevant advertising, subject to certain restrictions described below, and remember certain information while you are using the website.

Information collected through cookies and other technologies may include your IP address, geolocation information, device information, browsing activity and search engine referrals. When you enable these features, our advertising and analytics partners may collect precise geolocation information to provide tailored advertising and analytics services. You can always control the collecting of location information using your device settings. In addition, you can adjust your browser settings to alter or block cookies or other tracking technologies. You should note, however, that without these technologies, certain features on our website may not be available.

To learn more about how we use cookies and other technologies to collect information when you visit our websites, please read our Cookie Policy.

Do we collect information from minors?

Our products on this website are intended for use by persons who are legally considered to be adults in their territory of residence. We do not voluntarily collect Personal Information directly from persons under the age of majority (minors).

If your child has provided us with personal data and you would like to request that such data be deleted, please contact us as described below in the **How to contact us** section.

With whom do we share your Personal Information?

In certain circumstances, we use the help of service providers to better serve you. For example:

- We may share your Personal Information with our affiliates and service providers who assist us in conducting our business, including responding to your inquiries, communicating with you and conducting market research. Please find below a non-exhaustive list of our service providers:

Third parties	What they do for us
[●]	Donation management software
[●]	Telemarketing
[●]	Website
[●]	Direct-mail advertising

Google Analytics	Audience analysis service

Other partners We may occasionally do business with other partners. To find out more, please contact us at the address indicated in the **How to contact us** section.

- We communicate information to government officials, such as law enforcement authorities, courts and regulatory authorities.
- We may also transfer your Personal Information to a successor entity in the event of a merger, consolidation or other corporate reorganization in which Nortera participates, or to a purchaser of all or substantially all of Nortera's assets who agrees to use your personal information in accordance with this policy.

In such cases, we take steps to ensure compliance with the rules set out in this privacy policy and require the service provider to keep your Personal Information confidential and secure. We also require that they use it only for the purposes for which it was provided. Lastly, our service providers must destroy your Personal Information once their mandate is complete and their limited objectives attained.

Where do we host your Personal Information?

Your Personal Information is stored and processed in Quebec, Canada. In some cases, it may be hosted outside Quebec in any country, state or province where we have facilities or use third-party service providers.

In addition, we may share Personal Information with our affiliates, external service providers and third parties in other countries. Countries to which your Personal Information is transferred or in which it is hosted may have different data protection laws than the country in which you live. In particular, laws may require the disclosure of your Personal Information to the authorities of these countries.

However, our practices regarding your Personal Information are at all times governed by this policy and the privacy legislation applicable in [Canada](#) and [Quebec](#).

In the case of any cross-border data transfer (the transfer of your Personal Information to other countries), Nortera will implement appropriate safeguards to provide an adequate level of protection.

How long do we retain your Personal Information?

We retain the information we collect for as long as necessary to fulfill the purposes for which we collect it, as required or permitted by law, or for other legitimate purposes such as data recovery, dispute resolution and fulfillment of contractual obligations.

We delete obsolete or unnecessary Personal Information, for example should you inform us that you are definitely ceasing to use our services. You may at any time request the rectification or deletion of information.

In some cases, we anonymize Personal Information such that there is no serious possibility of linking the anonymized data to an identifiable person. In such cases, we may use anonymized data without prior notice and for serious and legitimate reasons.

How do we protect your Personal Information?
